HRA Board Cover sheet

16 March 2022

Title of paper:	HRA Achievements
Submitted by:	Ian Cook
Summary of paper:	<p>Between the Corporate Portfolio Office (CPO) and our Communications and Engagement teams, have been developing a number of different ways of presenting the immediate and long-term difference HRA has made. This paper from the CPO presents a high-level overview of the medium to long term picture.</p> <p>This paper is focussed on specific tangible changes that impact external users, partners or stakeholders. It is intended to promote discussion and understanding and is not expected to be exhaustive. It also misses the large effort we put into with and influencing the wider sector.</p> <p>The paper is a first draft of a dynamic list that, if it proves helpful, we will continue to update.</p>
Reason for submission:	HRA Board asked for greater awareness of HRA's achievements so that these could be celebrated and used in our external engagements.
