Chair's overview of the past year:

On behalf of the South Yorkshire Research Ethics Committee, I have once more had the pleasure and privilege of writing the "Chairs Overview of the Past Year".

As Chair of the Committee, I have been ably assisted and supported by the REC Managers Mrs Helen Wilson and Mrs Gillian Mayer along with Miss Kerry Dunbar REC Assistant and wish to acknowledge their hard work which has ensured the smooth running of the Committee to provide an efficient service for researchers.

Unfortunately during the year a number of members had to resign from the Committee due to increased demands from their employment.

On behalf of the Committee, I wish to record our thanks for their contributions and support in the work of the Committee.

Finally, I wish to again record the commitment and support from all the new and continuing REC members who have given freely of their time and expertise to ensure the Committee meets its duties to safeguard the rights, safety, dignity and well-being of people participating in research in the National Health Service.
